

We are Learning...

Human Values	Literacy	Numeracy
<ul style="list-style-type: none"> To understand that values are like "treasures" we have inside us. We just need to discover them and let them 'shine' by putting them into practice. To discover and practice the values of RESPECT, GRATITUDE and SHARING. We will use inspiring quotations, songs, stories, silent sitting breathing exercises and group activities to understand them in a practical way. To understand and use our "Human Values Circuit: head, heart & hands" to make better choices. 	<ul style="list-style-type: none"> To follow the Read Write Inc. programme To use apostrophes for possession and contractions To use a range of punctuation including brackets, commas and ellipses To use modal verbs to show levels of possibility To use relative clauses in sentences To summarise texts to aid understanding To evaluate language authors use in a wide range of genres including poetry To identify moods and feelings through inference 	<ul style="list-style-type: none"> To understand place value in 6 digit numbers To use column method to add pairs of two place decimals, including amounts of money To round one and 2 digit decimals to the nearest whole number To use expanded and contracted methods to subtract 4 digit numbers To use short division to divide 3 digit numbers by one digit numbers, with integer remainders To compare angles up to 360 degrees, including reflex angles
Science	Humanities	Spanish
<ul style="list-style-type: none"> To compare and group together different and similar materials on the basis of their properties To know that some materials will dissolve in liquid to form a solution To use test results to make predictions To take measurements using a range of scientific equipment, with increasing accuracy and precision To report and present findings from enquiries 	<ul style="list-style-type: none"> To carry out an indepth study of Ancient Egypt To continually develop a chronologically secure knowledge and world history To locate Egypt on a map, identifying significant places To understand how and why the Egyptians built the Pyramids To know about the processes of mummification To understand the importance of the gods in Ancient Egypt 	<ul style="list-style-type: none"> Componer un poema, teniendo en cuenta el análisis métrico, los recursos estilísticos y valorando diferentes figuras literarias Mostrar interés y esfuerzo por escribir de forma creativa y original Entender la estructura del grupo nominal Adquirir léxico (formación de palabras: sufijos, aumentativos y diminutivos)
Art & Design Technology	Physical Education & ICT/Robotics	Music & Drama
<ul style="list-style-type: none"> To improve our mastery of art and design techniques To make musical instruments from recycled materials To consider types of material suitable according to their properties To create artwork inspired by ancient Egypt 	<p>Physical Education:</p> <ul style="list-style-type: none"> To Strike a ball with increasing control using a large headed hockey To play modified versions of a range of competitive games To Understand and can demonstrate the 5 basic jumps <p>ICT/Robotics:</p> <ul style="list-style-type: none"> To play and analysing educational games To build a prototype To work on the interface To test and refine a game 	<p>Music</p> <ul style="list-style-type: none"> To listen and appraise western classical music genres To know the different instruments of the orchestra To listen and appraise songs from the opera To explore string and woodwind instruments <p>Drama:</p> <ul style="list-style-type: none"> To explore different genres and character types To sustain a role or roles using particular performance styles To give a coherent interpretation of a role or character To work cooperatively with others
